

DAVID BENDER

CHAIRMAN
BLAKE REAL ESTATE, LLC

RESPONSIBILITIES

Mr. Bender brings a third generation of the Bender's family leadership to the management of Blake Real Estate, and together with the Executive Committee, sets management policy and develops the strategic business plan for the ongoing and future success of Blake Real Estate.

EXPERIENCE

After graduating from college in 1983, David's first job at Blake Construction was digging ditches. Like his father before him, David learned the family business from the ground up, getting his hands dirty "down in the holes and up on the ladders".

Over the years, David served in numerous positions within Blake Construction including Field Supervisor, Project Manager, Vice President of the Construction division, and President of the Real Estate division, gaining valuable experience and knowledge in leasing, development, property management, project management, and field construction of commercial development projects.
